The Brethren have asked that **"Every adult and youth who is able _Find_ a name to take to the Temple, _Take_ that name to the Temple and _Teach_ someone else how to do it".**

"Participating in this sacred work for the dead blesses the lives of the living. It strengthens our faith and commitment to the gospel, helps us resist temptations, (and) draws families closer together" (Quentin L Cook, "Our Father's Plan is about Families", RootsTech 2015)

You will appear in the center of the fan chart with your ancestors organized as a fan going out from you.

Click on that symbol and the fan chart will generate again with that selected ancestor in the center of the fan. Pick one of your ancestors born around 1750 and click on their fan chart symbol to put this person into the first position.
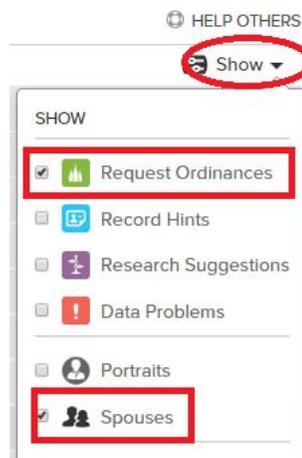

Step 3: Go to Descendancy View

Click the descendancy view icon to see the descendants of your selected ancestor.

The results will be similar to the following view.

Step 4: Click "Show" in the Descendancy view and unclick all the boxes except the "Request Ordinances" and "Spouses"
